

# WE'RE MAKING A DIFFERENCE IN OUR COMMUNITY.

## Thank you to the following News In Education (NIE) sponsors

for supporting the NIE Adopt-A-School program.

The generous donations of these individuals and businesses are providing classroom copies of The Tampa Tribune, plus award-winning study guides, at no cost to local schools. NIE materials meet all current state standards of education and promote "real-life learning," a major focus of the Florida Comprehensive Assessment Test (FCAT).

For more information on how you can make a difference in our community through the Adopt-A-School program, please call 813-259-7764, e-mail, [NIE@tampatrib.com](mailto:NIE@tampatrib.com) or log on to [TBO.com](http://TBO.com), Keyword: NIE.
